A diagram consisting of a large outer rectangle. Inside this rectangle, there are two smaller, horizontally-oriented rectangles stacked vertically. The top rectangle is labeled 'C' and the bottom rectangle is labeled 'A'. Both rectangles are centered horizontally within the outer container.

C

A

A diagram consisting of a large outer rectangle. Inside this rectangle, there is a single smaller, horizontally-oriented rectangle. This rectangle is labeled 'B' and is positioned in the upper-left area of the outer container.

B

28

A large rectangular container with a black border. Inside, there are two smaller rectangular boxes, also with black borders. The top box is labeled 'C' and the bottom box is labeled 'A'. Both boxes are horizontally centered within the container.

C

A

A large rectangular container with a black border. Inside, there is a single smaller rectangular box with a black border, labeled 'B'. The box is horizontally centered within the container.
